For many, the holiday season means planning and taking care of others. However, this leaves little time for taking care of ourselves. Self-care is one of the best gifts you can give yourself! The Steven A. Cohen Military Family Clinic at Easterseals is teaming up with Anna Bruner, Independent Beauty Consultant, to help you look and feel your best this holiday season! During our free Holiday Makeup Workshop, you will learn how to apply a festive holiday makeup look with confidence! Light refreshments will be provided.
