The Steven A. Cohen Military Family Clinic at Easterseals is partnering with Meechie Jefferis, Financial Associate, to offer one-on-one financial assistance for veterans and military families. Ever wonder how to find an additional \$100, \$200, \$300 in your monthly budget? Do you want to learn how to pay down your debt faster? Learn how to choose better spending habits and learn how to get your debt under control so it doesn't control you. Understanding how money works also includes building your financial 'house' properly from the ground up. Build it with a weak foundation and it will collapse during that next financial storm.
