Location:

The Steven A. Cohen Military
Family Clinic at Easterseals
1420 Spring Street
Silver Spring, MD 20910

Be a hero for a hero! During this free 8-week course, you will learn about dog psychology and training methods through individual, group or family sessions.

Warrior Canine Connection enlists Service Members and Veterans with combat stress in the critical mission of training service dogs for fellow Wounded Warriors. It takes a community of dedicated individuals to train, care for and love these dogs. Come support the mission and help save lives through honoring the warrior ethos; always placing the mission first.
