Sliding Fee Scale for CCBHC Eligible Persons served in Oakland County

Sliding Fee Scale (SFS) for qualified people who are Uninsured or Under insured, for qualified Mental Health or SUD services:

Sliding Fee Scale daily visit amounts (SFSdva) are based on your ability to pay as established by the SFSdva Chart below.

Annual Income Limits in the chart are based on the 2023 Federal Poverty Level guidelines and are updated annually.

Your SFSdva is determined at least annually and whenever your financial situation changes.

Documentation of your Annual Income and Family Size are required before a final, discounted SFSdva is approved.

The primary source of income documentation required is your State or Federal tax return (form 1040).
