The Reason For The Raffle

Support coordination for those with disabilities

Our Method

Once accepted into Easterseals MORC's services, each individual is assigned a Support Coordinator to help design and implement a support plan to meet an individual's needs. Easterseals MORC does not believe in making decisions for the people it supports but instead, fully supports the rights of individuals with disabilities to articulate their needs, goals and dreams and to choose for themselves the services and supports that will help them achieve them. A person-centered plan is the foundation of all aspects of service delivery at Easterseals MORC.
