# Annual Report

EASTERSEALS  
CENTRAL & SOUTHEAST OHIO

Taking on disability together.

# A Year in Review

## A NOTE FROM OUR CEO

### A LOOK BACK ON 2017

Our purpose to change the way the world defines and views disability is just as relevant today as it was nearly 100 years ago when Easterseals was first founded. As we celebrate our accomplishments in 2017, we remain focused on the many challenges still facing the families we serve. Together, we are committed to the vision of a truly inclusive world - one that values the contributions of people with disabilities and provides them the opportunity to live a life of independence.

In 2017, we saw tremendous growth in many of our programs including:

- Impacted more lives and increased the number of families served.
- Opened an Adult Day Program in South Point, Ohio and have seen tremendous growth and outreach in Lawrence County.
- Continued expansion of the Dolly Parton Imagination Library program in Franklin, Jackson and Vinton counties.

- Administered nearly 200 Ages & Stages Questionnaires and provided 30 referrals to families with a child with a potential developmental delay.
- Advocated for the rights of individuals with disabilities by meeting with several Ohio Senators and State Representatives to discuss legislative priorities such as Medicaid and home based services.

With many successes in 2017, I welcome 2018 with confidence in our programs, services, and staff. Thank you to everyone who gave of their time, money, and talents. Together, we are creating a better, more inclusive world for people of all abilities.

Thank You,

Pandora Shaw-Dupras  
Chief Executive Officer
