

The Double Click Computer Program is administered by Easter Seals Central Texas-Community and Housing Services in partnership with Texas Technology Access Program to provide low-cost, refurbished computers to Texans with disabilities.

The goal of this program is to grant access and independence with technology to people with disabilities, whose resources limit their way of life. The world is quickly becoming connected at an ever increasing rate, and a computer is essential to our everyday needs, be it education, a job, or just for fun. Those that can not afford a computer find themselves missing opportunities. Our aim is to get low cost computers to these people, so that they will be able to access all of the opportunities of life.

What We Do

We offer easy pay loans for Disabled Texans to acquire laptops or desktops at a small monthly rate, or full payment.

- Refurbished Dell-Brand Laptops/Desktops
- Computer Loan Programs
- Technical Support for clients
- Use to educate, work, and socialize
- Gain Independence through Technology

Steps to Apply:

- Fill out application in full
- Send it in to our address with initial payment of 10, 20 or 120 dollars.
- We will call to verify address/info
- Shipping takes approximately 2 days via UPS

Our Commitment to Serve:

All computers have a 90-day hardware warranty and a 30-day software warranty. The computers are installed at the Double Click participants' residence, if they live in Austin. Otherwise, the computer is shipped to the residence, if they live in Texas but outside Austin.

What Kind of Computers?:

The cost of the refurbished desktop computer is \$120. Computer specifications are at minimum: 1.6 GHz– 2.6 GHz Processor, Dell tower case, DVD-RW Drive, 2GB – 4GB RAM, and a minimum 80GB Hard Drive. We also carry Dell Latitude laptops for the same price. Each computer, except for laptop, ships with monitor, speakers, keyboard, mouse, Windows Vista/Windows 7 Home Edition, and Libre Office for word processing.

Loan Programs

The Double Click program offers a no-interest loan for participants that can not afford a full payment (\$120) for the computer.

The monthly payments for the loan program are determined on a case-by-case basis.

There are 2 payment plans:

- \$10 for 12-months
- \$20 for 6-months
