

**Job Exploration & Transition Training  
Transition Navigators**

The Transition Navigators Program is a new career exploration and transition services program for youth with disabilities ages 15-21. The program emphasizes paid on the job training. We provide support for youth to navigate the transition process, explore their interests, gain employment related skills, and obtain work-based learning.

### **Program Overview**

Who is this program for:

- Youth with disabilities ages 15-21
- Youth should be prepared to have transportation to and from the start and end location.
- Transition Navigators programming is targeted for all youth with disabilities that, with training, will have the ability and desire to be employed.
- Programming is a great starting point for youth with disabilities who are looking to gain awareness, readiness skills, and explore their employment interests.
- The 4-week program includes paid work experience: Youth should have a bank account, Photo ID and Social Security Card that will need to be shown on day four, so that they can undergo the hiring process.

Program Outline:

- Young adults can expect programming to run for 4 weeks for a total of 60 hours.
- Programming is Three days a week, mostly on Tuesday, Wednesday, and Thursday from 9:00 AM - 2:00 PM.
- Week One: Prepare to be hired.
- Week Two: Getting Hired Paid Internship in two different career fields.
- Week Three: Paid Internship in three different career fields.
- Week four: Paid Internship in two different career fields Certificates / Celebration.
- Possible continuation of internship (Industry Dependent).
