

Rally with us on May 10

to support funding for services
for people with Intellectual Disabilities

Join Easterseals and the Ability Network of Delaware at “The Whole 9” Rally on **Thursday, May 10th** at **10:30 am** at **Legislative Hall in Dover**. We are urging Gov. Carney and the General Assembly that the **TIME IS NOW** to pass House Bill 104 so services for people with intellectual disabilities are fully funded.

What is “The Whole 9”?

The Whole 9 represents the **MINIMUM** of \$9 million in state funding we need for the first-year funding of HB 104. Inadequate funding for disability services makes it difficult to pay competitive wages for the direct support professionals that we depend on each day.

Rally on May 10th at Legislative Hall

- Bring your children, family, and friends.
