

Description

The Oakbrook Physical Therapy Center provides *free* physical therapy services to underserved areas of need. The center is organized and run by Alvernia's Doctor of Physical Therapy students. As the center demands grow so does our need for resources. Together with Easter Seals and a pediatric physical therapy center, we created the Super PT 5K Sprint and 1K Fun Run! The funds from this event will go directly into the community by purchasing therapeutic supplies and funding several camps for Oakbrook and Easter Seals respectively.
