Mary Ellen Gasdaska was born in 1954 with spina bifida. When she was two years old, her parents, Bill and Eleanor, turned to Easterseals for help. In appreciation for everything Easterseals did for Mary Ellen, Bill and three of his friends

— Lou Mutarelli, Tony Esposito and John Puchalla — decided to hold a golf tournament with all proceeds benefiting Easterseals. Fifty-five years later, this incredible event has made it possible to provide programs and services for local children living with disabilities in the areas of therapy, camping and recreation, family support and so much more.

Here's what your support can accomplish:

DEVELOPING STRENGTH & MOBILITY

One year of PT for a child - \$5,000

IDENTIFYING DEVELOPMENTAL DELAYS

Fifty free screenings - \$2,000

LEARNING INDEPENDENCE

One week for a child to attend Growing Green, Easterseals overnight camp in the Poconos - \$1,450

BUILDING FRIENDSHIPS

Six months of recreation activities for a young adult with disabilities - \$500

CREATING LASTING MEMORIES

A week of fun at Camp Lily summer day camp - \$475
