- Full-Day Session \$350 per week

Registration Fee

- A non-refundable registration fee of \$100.00 is required.
- This fee will be applied to the balance of the camp.

June 16-20

Week 1 - AM Session: Ocean Explorers

Dive into the wonders of the deep blue sea! Campers will embark on an underwater adventure, exploring ocean life, engaging in water play, and participating in sensory activities inspired by the fascinating world beneath the waves.

Week 1 - PM Session: Wildlife Safari

Roar into an exciting safari experience! Campers will learn about diverse wildlife, their habitats, and conservation efforts. This theme includes animal encounters, educational activities, and safari-inspired games.

June 23-27

Week 2 - AM Session: Bubble Bonanza

Get ready for bubbly fun! Campers will immerse themselves in the magic of bubbles through hands-on activities, bubble art, and sensory play. This theme encourages creativity and sensory exploration in a lively and entertaining atmosphere.

Week 2 - PM Session: LEGO Builders

Unleash creativity with LEGO adventures! Campers will engage in building challenges, teamwork exercises, and imaginative play using LEGO bricks. This theme promotes fine motor skills, problem-solving, and social interaction.

June 30-July 3

Week 3 - AM Session: Dinosaur Discovery

Travel back in time to the age of dinosaurs! Campers will enjoy dinosaur-themed activities, fossil digs, and educational games that make learning about these prehistoric creatures exciting and entertaining.

Week 3 - PM Session: Messy Art Extravaganza

Embrace the joy of artistic expression! Campers will engage in messy and colorful art activities, promoting sensory exploration and self-expression. This theme celebrates creativity in a free and uninhibited environment.

July 7-11

Week 4 - AM Session: Harmony of Sounds

Make some musical magic! Campers will participate in music-based activities, instrument exploration, and rhythm games. This theme fosters a love for music while encouraging sensory engagement and social interaction.

Week 4 - PM Session: Weather Wonders

Explore the mysteries of weather! Campers will learn about meteorology through interactive experiments, weather-themed crafts, and educational games. This theme encourages a fascination with the elements and understanding weather patterns.

July 14-18

Week 5 - AM Session: Lost in Space Exploration

Blast off on a space odyssey! Campers will explore the wonders of outer space through space-themed activities, imaginary space missions, and cosmic crafts. This theme sparks an interest in astronomy and imaginative play.

Week 5 - PM Session: Insect Adventures

Crawl into the world of insects! Campers will discover the fascinating lives of bugs through interactive activities, bug hunts, and insect-themed crafts. This theme encourages curiosity about the smaller creatures in the natural world.

July 21-25

Week 6 - AM Session: Culinary Creations

Stir up some fun in the kitchen! Campers will engage in hands-on cooking activities, learning basic culinary skills and exploring different flavors. This theme promotes independence, fine motor skills, and a love for cooking.

Week 6 - PM Session: Science Explorers

Ignite the passion for science! Campers will engage in hands-on experiments, interactive demonstrations, and nature studies. This theme encourages a love for learning about the world around us in a fun and accessible way.

July 28-August 1

Week 7 - AM Session: Down on the Farm

Campers will experience the joys of the countryside, with gardening, and participating in farm-themed activities. This theme promotes a connection to nature and an understanding of farm-to-table concepts.

Week 7 - PM Session: Animal Safari

Take a walk on the wild side! Campers will go on a virtual safari, learning about different animals, their habitats, and conservation efforts. This theme promotes a sense of wonder and appreciation for the animal kingdom.

August 4-August 8

Week 8 – AM Session: Carnival Extravaganza

Step right up to the greatest show on earth! Campers will experience the thrill of the carnival with games, crafts, and sweet treats. From creating carnival masks to playing classic games, it's a week filled with fun and excitement under the big top.

Week 8 - PM Session: Adventure Across Borders

Embark on an exciting journey of exploration and discovery! This camp focuses on outdoor activities, nature walks, and team-building exercises to stimulate curiosity and build confidence in a supportive environment.
