Consent to Emergency Medical Treatment and Advanced Directives

In the event of a medical emergency which necessitates medical treatment or hospitalization, Easterseals Capital Region & Eastern Connecticut may arrange for emergency medical treatment including transportation to the indicated hospital of choice. I understand and agree to the Center's policy of arranging for medical treatment in case of an emergency. I further understand that the Center does not allow staff to implement "Do Not Resuscitate" (DNR) requests or other advanced directives. Center staff will transmit a DNR request or other advanced directive to emergency medical personnel if I have provided such directive in writing:

_____ I have a "Do Not Resuscitate" (DNR) request or living will. It is my responsibility to provide a copy to the Center.

_____ I do not have a "Do Not Resuscitate" (DNR) request or living will.

Name/Address - Hospital of Choice: _____

I hereby release Easterseals Capital Region & Eastern Connecticut and its staff from any and all liability, claims, causes of action, losses, damages, costs, and expenses associated with the medical emergency treatment including transportation by ambulance. The Center may assume responsibility if the reason for medical emergency treatment resulted from an action by the Center.

I hereby authorize Easterseals Capital Region & Eastern Connecticut to disclose any protected health information necessary for medical emergency treatment.
