About us...

Easterseals Capital Region & Eastern CT partners with the State of Connecticut to help connect qualified and highly motivated job seekers with employers to assist businesses with their staffing needs. We can offer a variety of services to help you meet your staffing needs, and to make sure that the individual hired achieves optimal success and adds maximum benefit to your organization.

Qualified Job Seeker

Employment Program Options/Benefits to Potential Employer

Trial Work Experience

- BRS pays the participant to work at your job site for an agreed upon amount of hours.
- The individual receives Easterseals job coaching.
- The individual explores a potential career path, gains work experience, and feedback on strengths and developmental areas.
- Free labor for participating businesses

Competitive Training Opportunity

- A potential employer has an open position.
- Easterseals training and onboarding assistance is available.
- Provides a no cost "preview" of a candidate for an open position before formally hiring them.

Direct Placement

- Hiring reliable, qualified employees is tough these days, so Easterseals helps to identify good fit candidates for employers.
- We connect job seekers to potential employers.

On the Job Training

- Typically for more professional and technical jobs where job seeker has the basic skills needed for competitive employment and may need additional training for various reasons as determined in partnership with Easterseals
- State of CT reimburses employer for the hours it takes to train the person for the position.

Post employment job coaching also available as needed
