

----- *A Life-Saving Experience at Camp Sunnyside*

Morgan has been attending Camp Sunnyside for the past three years. Her mom Toni said because of Easter Seals Iowa, Morgan has found a sense of belonging and understanding.

Morgan's first experience at Camp Sunnyside was spending an overnight respite weekend. "When I picked her up after that first respite weekend, I found a girl who had not shown that beautiful smile in years. She had nothing but amazing things to say," Toni said. "We would not be where we are today without Easter Seals Iowa. The positive, supportive and loving environment Easter Seals Iowa provides saved my daughter's life."

Morgan became involved in activities at camp, which led to her involvement at school as well. "Easter Seals Iowa will continue to help Morgan live a wonderful, happy, loving and successful life," Toni said.
