**Lending Library:** The Assistive Technology Lending Library is available to any individual that resides in Iowa and is a short-term 30-day loan trial. An individual can borrow up to five devices at a time and can borrow an unlimited number of devices in any given year.

**Assistive Technology for lowans:** Easterseals lowa will be expanding our lending library, increasing access to assistive technology devices for individuals over 18 with disabilities, and for individuals over 60 to increase independence, remain in their home, and have access to the community. The project is funded through COVID19 Coronavirus Relief Funds and monitored by the Iowa Department of Aging.
