

Easterseals Iowa Camp Sunnyside

AAC CAMP

AAC CAMP, July 28, 2020 – July 30, 2020

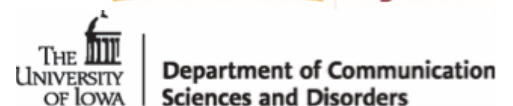

This will be a three-day opportunity for campers age 12 to 17, who utilize an Augmentative and/or Alternative Communication device to support their communication during the C7 Superhero Camp Week (July 27, 2020 - July 31, 2020)! During these three days, coaches will guide the camper's specific goals and needs. Attend the full week, at a cost of \$600, or attend the three-day AAC portion only (Tuesday - Thursday), at a cost of \$300. The coaches will be supervised graduate students majoring in Speech-Language Pathology who will guide expressive language and critical thinking skills in an exciting camp environment!

Campers will get to experience being a crime-fighting superhero in this fun filled week (Week C7), so campers should bring their superhero costumes! Campers will spend their days having fun swimming, horseback riding, doing arts and crafts and much, much more.

This opportunity is made possible through a collaborative effort with Easterseals Iowa, The University of Iowa Department of Communication Sciences and Disorders, University of Northern Iowa Department of Communication Sciences and Disorders, and Iowa Area Educational Agencies.

July 28th, 2020 – July 30th, 2020 (AAC)
July 27th, 2020 – July 31st, 2020 (Full Week)
