

Easterseals Iowa Camp Sunnyside AAC CHALLENGE CAMP

AAC CHALLENGE CAMP, July 21, 2019 – July 23, 2019, will be a three-day opportunity for campers age 12 to 17, who utilize an Augmentative and/or Alternative Communication device to support their communication during the C7 Challenge Camp Week (July 21, 2019- July 26, 2019)! During these three days, coaches will guide the camper's specific goals and needs, **with a cost of \$600**, or attend the three-day AAC portion only (Sunday through Tuesday), **at a cost of \$300**. The coaches will be supervised graduate students majoring in Speech-Language Pathology who will guide expressive language and critical thinking skills in an exciting camp environment!

Campers will spend their days having fun swimming, horseback riding, doing arts and crafts and much, much more. Challenge Camp (Week C7) will offer a variety of opportunities that will challenge and reward campers for their efforts!

This opportunity is made possible through a collaborative effort with Easterseals Iowa, The University of Iowa Department of Communication Sciences and Disorders, University of Northern Iowa Department of Communication Sciences and Disorders, and Iowa Area Educational Agencies.

We are excited to announce that there are a limited number of scholarships available for the AAC Challenge 3-day Camp (July 21, 2019 – July, 23, 2019). A registration fee of \$50 will be required during registration. To apply for one of these limited scholarships, please note "Requesting Campship" on page 15 of the Resident Camp Application and state the request is for AAC Challenge Camp C-7!
