Open to the community:

Rush University Medical Center invites you and your family to participate in SPARK, a landmark study on the genetics of Autism. Individuals of any age with a diagnosis of Autism, as well as both of their parents and a sibling are eligible to participate. With the support of our partner organizations, the team from Rush will assist to complete registration and collect saliva samples on site. Email SPARK@rush.edu or call 312.563.2765 to sign up for any 30 minute time slot to join us! Unable to attend but want to participate? Register at SPARKforAutism.org/Rush

Cost: Free! Participants will receive up to \$50 in Amazon Gift Codes.

To register: Email: SPARK@Rush.edu
Call: Holly Lechniak at 312.563.2765

DEADLINE for pre-registration is June 1st
Walk-ins Welcome
