

Easter Seals to open Lockport location

In response to the retirement of women with intellectual disabilities, Easter Seals is opening a senior residence in Lockport. Having opened the first group home in 1985, Easter Seals has residents who have been in the program over a long period of time. “We have some great opportunities for these ladies who will have the flexibility of community and home leisure and recreation while maintaining their activities of daily living”. Easter Seals is learning more and more about those aging with intellectual disabilities and those who are caregivers. As part of a National affiliated network, Easter Seals is focusing on these two important related topics. **At this time, Easter Seals is seeking Caregivers for our Senior Program in Lockport.** Requirements are a high school degree or GED, good driving record and preferably some past experience. All hours Monday – Friday and weekends are currently open. Full or part-time is available with competitive salary and benefits. College student pursuing allied health care professions are encouraged to apply. Contact Easter Seals Human Resources at 815-773-9353.
