

# Alert Group

Summer 2016

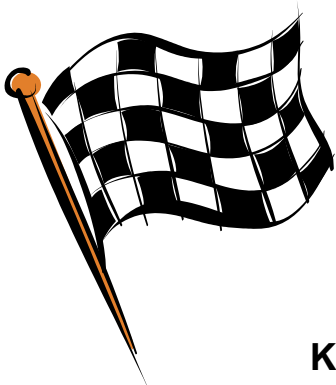

Cost: \$150 for the 8 week session

Thursdays at 2:30 pm – 3:30 pm

June 9<sup>th</sup> – July 28<sup>th</sup>

The Alert Program is a fun way to help children to identify, label, monitor, and maintain their levels of alertness for self regulation. Interactive lessons will incorporate pragmatic or social language, sensory processing, and cognitive approaches. Co-therapy is provided by an Occupational Therapist and a Speech Language Pathologist.

For children ages 7 to 10 years old.
