

# Animal Action Summer Group

## Easterseals Joliet Region, Inc.

Run by an occupational therapist and speech therapist, the Animal Action group focuses on building social skills while completing fine motor, sensory motor, and language building activities. The incorporation of animal assisted interventions through the presence of animal themes and occasional therapy animals ensure all participants will have a howlin' good time!

**WHO:** Kids **ages 6-10** who can follow 1-2 step directions

**\*\*Please note real animals will be present at the group, so participants should not have allergies\*\***

**WHEN: Monday, from 2:30-3:30pm.**

The group will run for 8 weeks in June and July. The first session is 6/12/17 and the last session is 7/31/17.

**WHERE: Easterseals Joliet Region, Inc.**

(212 Barney Dr., Joliet, IL 60435)

**COST: \$132** for the 8 week session
