

Our Mission:

Easterseals Louisiana is a non-profit organization whose mission is to assist children and adults with physical and intellectual disabilities achieve independence.

How we carry out our mission:

Permanent & Transitional Housing - Providing safe & comfortable environment to people with mental illness, substance abuse or co-occurring disorders with the goal of being independent.

Support Coordination - Assists disabled children, adults and elderly in accessing needed services to increase their independence. Helping those diagnosed with mental illness, substance abuse or co-occurring disorders with available resources, and assistance in the navigation of complex service systems.

Campership - Provides payment of summer camp tuition for children and young adults with disabilities.

PEERS- is effective for adolescents from 11-18 with a variety of diagnoses including Autism Spectrum Disorder, ADHD, anxiety, depression and other social disorders. During the 14-week program children learn important skills that enhance their abilities to make friends and build lasting friendships.

Early Steps - System Point of Entry (SPOE) - Identifies, evaluates and supports infants & toddlers, ages birth to three who may have development disabilities.

Crisis Services - Assists in reducing the use of hospitalizations or presentation to the emergency room by the delivery of immediate community based treatments and interventions to families in crisis.

Community Psychiatric Support Treatment Services (CPST) - Provides goal-directed support and solution-focused interventions, which are intended to assist individuals achieve objectives.
