On Wednesday, November 30, 2022 the Festival Gala and Auction will light up the night in support of Easterseals Midwest! One of the most unique and exciting events of the year, Festival offers an evening of elegant dining and dazzling entertainment, along with both silent and live auctions.

Since its inception in 1983, this volunteer-driven event has attracted thousands of attendees from across the bi-state region and has raised nearly \$10 million in support of Easterseals' services for people with autism.

Your sponsorship will benefit children and adults living with autism, helping them gain access to services that will make their daily challenges a little easier.
