*Ashley and Sam Koplar*

On Wednesday, December 3, 2025, the Festival Gala and Auction will light up the night in support of Easterseals Midwest! One of the most unique and exciting events of the year, Festival offers an evening of elegant dining and dazzling entertainment, along with both silent and live auctions.

Since its inception in 1983, this volunteer-driven event has attracted thousands of attendees from across the Midwest and has raised critical funds in support of Easterseals' services for people with autism.

Your sponsorship benefits children and adults living with autism, helping them gain access to much-needed support, programs, and services in the community.
