## AUTISM CENTER OF EXCELLENCE

Autism Spectrum Disorders (ASD) are the fastest growing developmental disabilities in the world today, affecting 1 in 54 children. Easterseals is a highly recognized leader offering early diagnosis, functional assessment and individualized treatments.

## EARLY STEPS NORTH BEACHES

Research shows that a child's first three years are the most important time for learning. Early Steps is a statewide system of early intervention services for families with infants and toddlers who are not reaching age-appropriate milestones.

## EARLY CHILDHOOD EDUCATION

Our Child Development Centers and Charter Schools are dedicated to providing the highest quality preschool and child care experience with unique expertise in social/emotional learning and behavioral health, ensuring a promising future for children of all abilities.

## PEDIATRIC SPECIALTY CLINICS

Easterseals' dozens of expert clinicians provide evidence-based interventions and hands-on, comprehensive services to help every child reach their full potential—regardless of challenges, needs or disabilities, with an emphasis on family education.

## FAMILY SUPPORTS

Easterseals partners with families to ensure everyone is 100% empowered and 100% included. Family supports such as case management, adaptive devices, parent education, and assistive technology are critical to a child's success.

**An innovative partnership with Easterseals Daytona center allows an additional 500+ local children access to expert specialist care.**
