This screenshot shows a news article from The Daily Journal. The title is "Easter Seals Help Beautify Millville". The main image depicts four individuals standing in front of a building. On the far right, a woman is wearing a dark long-sleeved shirt and pants that are heavily splattered with white paint. She is also wearing a white head covering and safety glasses. To her left are three other people: a man in a dark blue t-shirt, a man in a white t-shirt, and a woman in a white t-shirt. The photo is credited to Charles J. Olson and includes a "Buy Photo" option.

This screenshot shows a news article from The Daily Journal. The title is "Easter Seals Help Beautify Millville". The main image shows a person wearing a dark long-sleeved shirt and pants splattered with white paint, a white head covering, and safety glasses. They are using a long-handled roller to apply paint to the side of a white building. Another person in a white shirt is visible in the background, also working on the building. The photo is credited to Charles J. Olson and includes a "Buy Photo" option.

This screenshot shows a news article from The Daily Journal. The title is "Easter Seals Help Beautify Millville". The main image shows a man with a beard, wearing a red long-sleeved shirt and a purple baseball cap, working with a red tool on a surface. He appears to be in a workshop or garage. In the background, there is a sign that says "SPRINKLER VALVE" and a white container. The photo is credited to Charles J. Olson and includes a "Buy Photo" option.
