Impacting the lives of children with disabilities

Whether from a birth condition, injury or illness, or by the functional limitations experienced in aging, 1 in 5 Americans lives with a disability. For over 80 years, Easter Seals has provided educational and therapeutic services to people with disabilities in communities across the country, and globe, to help children and adults with disabilities address life's challenges and achieve greater independence. Services like:

* Inclusive Preschool

* Assistive Technology

* Early Intervention

* Autism Services

* Physical, Speech and Occupational Therapies

Long and Foster is committed to making life better for people who live in the communities it serves, raising over \$30,000 for Easter Seals in 2015. Their support made a difference for over 7,000 individuals with disabilities in Bucks, Chester, Delaware, Montgomery and Philadelphia counties served by Easter Seals last year.

When you give to Easter Seals, \$0.86 of every dollar raised is used to provide direct services to people with disabilities. To learn more visit...
