POLICY ON CHILD ABUSE REPORTING

Easter Seals of Southeastern Pennsylvania supports and encourages all families in providing a healthy and safe environment for their children.

Easter Seals of Southeastern Pennsylvania staff members are required by law to report if there is reasonable cause to suspect child abuse.

It is important to know that an Easter Seals staff member does not need proof that abuse has occurred to take action. It is only required that the individual have reasonable cause to suspect abuse. Reasons for suspicion may include such things as:

- ✓ Observation of a child's physical appearance
- ✓ A child's verbal or non-verbal communications
- ✓ A change in a child's behavior (evidence of anxiety, withdrawal, fear or agitation)

I understand Easter Seals/Friendship Academy of Southeastern Pennsylvania is obligated by law to report the suspicions to the proper authorities.

NOTICE OF CONFIDENTIALITY

Files of all children are kept in a secured location, which is locked at the end of the day. Information kept in files is accessible to the child's parents/legal guardians and to Easter Seals/Friendship Academy staff on a "need to know" basis. In other words, only the staff members who need to know this information to carry out their jobs responsibly will have access to the child's file. Each staff person who reviews a file, will document that access on a log sheet maintained with the files.

A "Release of Information" form must be signed by a parent or legal guardian in order for Easter Seals staff to discuss the child's development with any person outside of the IFSP/IEP team members.

If possible, please send a bicycle helmet for your child to use at school. There are helmets for students to use if you are unable to provide one.

I will provide a helmet for my child to wear at school

My child will use the helmet provided at school.
