

February 9th - March 8th

Easter Seals is the leading non-profit provider of services for individuals living with autism, developmental, physical and mental disabilities and other special needs. For more than 90 years, Easter Seals has offered help, hope and answers to children and adults living with disabilities, and to the families that love them. Through therapy, training, education and support services, Easter Seals creates life-changing solutions so that people with disabilities can live, learn, work and play. Every year, Easter Seals serves more than one million individuals and their families at more than 550 Easter Seals service sites across the country.
