

## Financial Assistance Policy and Procedure

**POLICY:** Easterseals Southern California (ESSC) provides financial assistance for families who meet certain requirements and who are unable to meet their financial obligations for services received at ESSC. This policy is not intended for those with third party insurance. This policy requires written denial by other potential payers such as the regional center.

**ELIGIBILITY:** Eligible families are those who:

- A. Receive medically necessary services from ESSC.
- B. Are underinsured and otherwise financially qualified.
- C. Have a household income (see attached schedule) less than 300% of the Federal Poverty level.
- D. Have been denied support by potential third party payers such as the regional center.

Individuals who elect not to apply for other sources of payment such as regional center or other third party insurance, may be excluded from receiving financial assistance.

**APPLICABLE TIME PERIOD:** The determination of this benefit is not retrospective; therefore, it cannot be applied to charges from a previous period. Your household income will be reviewed each year in April, to determine if you are still eligible for benefits. Any determination of benefit will apply prospectively to the current services.

**PROCEDURE:** Financial assistance is determined based on the financially responsible party's income in comparison to Federal Poverty rates/guidelines. See attached schedule.

This percentage may change from time to time as deemed appropriate by the Chief Operating Officer, Chief Financial Officer and/or the Board of Directors of ESSC. Before financial assistance is approved, families must apply for all other sources of payment, including regional center, Medicaid or other third party insurance.

The process for Financial Assistance is as follows:

1. Complete the application and submit with supporting documents.
2. Submit the completed application and all applicable documents in a sealed envelope or online to:

Tegria  
PO Box 4206  
Orange, CA 92863-4206  
Email: [billing@msmhealth.com](mailto:billing@msmhealth.com)  
Phone: 714-245-8872

3. Tegria will review the documentation for completeness. ESSC will make a determination of eligibility.
4. Approval will be determined based upon the income on the tax return as compared to the Federal Poverty Scale as provided with this policy.
5. If financial assistance is approved, approval status will be noted in the account.
6. If financial assistance is not approved, an appeal may be made to the Chief Operating Officer for final and binding determination of eligibility.
