## Easterseals Child Development Centers (CDCs)

feature safe and caring environments, state-of-the-art tools and programs, individualized learning plans, highly qualified teachers, inclusive of children with or without disabilities, and active parent-center partnerships. Our centers are designed to provide young children with the optimal environment for successful learning and development.

## Our Focus

### Early Childhood Education

Easterseals CDCs offer Early Head Start and Head Start for income-eligible families with children age 0 to 5. Early Head Start/Head Start are federally funded programs that prepare children for kindergarten and beyond.

### Comprehensive Support Services

Easterseals CDCs provide comprehensive services that promote healthy outcomes for pregnant women, support a child's natural development and opportunities for families to build parenting skills. We offer:

- Disability Services
- Health Services
- Mental Health Services
- Nutrition Services
- Family Support Services
- Home-Based Support

*Funding support for these services is also provided by First 5 San Bernardino and the California Department of Education.*
