

“\*\*Update\*\* 04/21/2020 Due to the continued risks associated with providing services at our sites and in our communities, Easterseals Adult Day Services sites and offices will continue to remain closed through at least May 15th, 2020. Easterseals is committed to continuing to provide support to the people in our services during this unprecedented crisis. With this a priority, we are currently providing varying levels of “remote” programming based on an individual’s needs, desires, and available technology. Please do not hesitate to contact the Program Director for your services if you have any questions or if you would like to talk about the remote services you are being provided. Be well, and we look forward to seeing everyone as soon as it is safe to do so.”
