Our annual Spring Fling was held at the Georgia Veterans State Park in Cordele in May. All four centers enjoyed a day filled with fun, food, and fellowship. We danced, fished, and competed in many games throughout the day. Our lunch included barbeque from Smokies Bar-B-Que and desserts donated by First Franklin Financial.

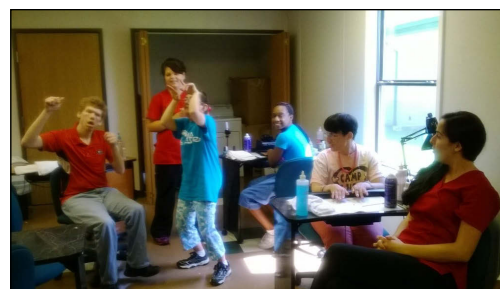

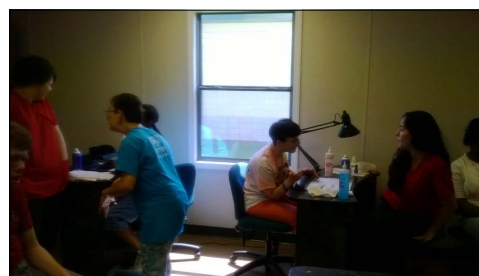

It's always a treat when our farm friends visit our day programs. Penelope made her appearance at all the centers recently. To see the smiles on everyone's faces when they got a chance to meet her was such a blessing.

### Tifton, Georgia

The girls at Tifton Day enjoyed a day at the spa. Moultrie Tech students treated them to manicures and pedicures. They left the spa that day feeling very pampered and proud of their new nails.

### Cordele, Georgia

Our friends in Cordele visited the Honey House at Calhoun Farms in Ashburn. They enjoyed the honey display and getting a chance to watch the bees in action. At the end of the day, they purchased honey that was made at Calhoun Farms.

## Vienna, Georgia

Vienna Day visited the strawberry patch at Calhoun Farms in Ashburn. They had a great time picking strawberries and plums, eating lunch at the café, and feeding the farm animals.

## Albany, Georgia

It's all about getting connected with the community for the people we serve. Every Wednesday, Albany Day has "Coffee Talk" at Elements Coffee. Along with that, each Friday, they have a "Men's Breakfast" at Pearly's. They love going there each week and building relationships with the employees and people they have met.
