Dear Friend,

You are cordially invited to partner with Easterseals South Florida (ESSF) for its upcoming **30th Annual Golf Fiesta!** which will be held on **Thursday, May 2**, at **The Club at Emerald Hills**. At Golf Fiesta! over 130 guests will enjoy a fun day of golf, food and networking – all while having the opportunity to bid on an array of exciting silent auction packages featuring exclusive getaways, fine dining, art and much more. This is a great opportunity for members of the South Florida community to not only participate in a fundraising event for a good cause but also to get to know the very students and families whose lives are forever changed by supporters like you.

We are kindly requesting a silent auction item donation (i.e. dining and hotel stay gift certificates; guest room accommodations; wellness and leisure experiences; collectibles and memorabilia, etc.). This will offer you a valuable opportunity to market to our event guests, comprised of South Florida professionals, industry leaders, sports enthusiasts, corporate professionals, media and more! The auction will be online and open to thousands of ESSF constituents in Miami-Dade and Broward counties, so this opportunity offers your broader brand visibility and awareness.

All proceeds from our Golf Fiesta! will directly benefit **Easterseals South Florida's programming and services**. Each day, Easterseals serves over 1,700 children, younger adults, older adults and their families living with autism, Alzheimer's, and other disabilities and disadvantages in Miami-Dade and Broward. Our mission is to provide services that address equity and inclusion disparities for individuals with disabilities by enhancing education, advancing health, expanding employment, and elevating community. Your generous donation will be tax deductible as permitted by IRS regulations, as you received no goods or services in consideration thereof.

We sincerely hope you will support our efforts in changing the way the world defines and views disability by making profound, positive changes in people's lives every day.

Kindest regards,

Bryce Epstein, MD
