**Medical Exam Summary-**The Physician's Medical Examination Summary must be received by Easterseals Tennessee Camp 30 days prior to the first day the seasonal weekend/camp camper will be attending. Missing this deadline will result in the camper's reservation being voided and filled by another camper. **Medication-** In an effort to better serve our campers we require all campers to bring pre-packaged medications. This means all medications; vitamins and supplements brought to camp are prepared in a multi-dose blister pack or daily medicine cassette for the duration of their stay. It is preferred that this is done in a "blister pack" by a pharmacist.
