**COMMUNITY
FOUNDATION**
OF WEST KENTUCKY

The purpose of the Community Foundation of West Kentucky is to improve the quality of life in Western Kentucky, both today and in the future.

Each year, the Community Foundation grants approximately \$1 million to local nonprofit organizations. The Community Foundation also works with donors to create and grow endowment funds that will provide a source of funds for our community for generations to come.

Now in its 13th year, the Fred Paxton Fund Run for Charities has been instrumental in helping build nonprofit endowment funds. Because of Mr. Paxton's vision and his family's continued commitment, the Community Foundation will match donations raised by each organization up to \$10,000, until \$100,000 is given away.

Whether you walk, wheel, run or go piggy-back, you are making a difference to our community when you participate in the Fund Run.

- As a walker/runner: A portion of your entry fee goes directly to the nonprofit you designate.
- As a donor: 100% of your donation goes to the nonprofit you designate. In addition, through the Community Foundation, the Fred and Peggy Paxton Endowment will make a matching contribution to that nonprofit's endowment fund. Your donation can be used today, and the endowment contribution will provide funds for the future.
