Medications & Health Care

Easter Seals staff will not be responsible for administration of medications to participants. If a participant will need medication during a program time, it is their responsibility to self-administer or make arrangements for a caregiver to coordinate administration. **Easter Seals staff will also not be responsible for personal cares during the program.** If a participant needs assistance with toileting or other personal cares, a caregiver MUST attend with the participant. The health and safety of our participants is very important to us. Please complete the Annual Information Form (AIF) carefully so that we have as much information as possible. Our staff makes every effort to manage risks and set guidelines for safe recreation. However, our staff are not trained medical professionals. In the event of

a medical situation, staff will respond with first aid when appropriate. If an injury or medical situation more serious than a minor cut or bruise occurs, a staff member will call to notify the parent/guardian first, and if they are unavailable, the emergency contact person next. **It is critical that this contact information is up-to-date on the AIF.** If there is a medical emergency, staff will call 911 first, then notify parent/guardian or emergency contact.

Transportation

Participants are responsible for their own transportation arrangements. Easter Seals staff will ONLY be present during the scheduled program times listed in the program guide. **Participants should plan to arrive NO EARLIER THAN 15 MINUTES prior to the start time of any program(s) or dance(s).**

Inclement Weather

Please look or listen for WIL-O-WAY RECREATION CENTER or EASTER SEALS RECREATION CENTER on TMJ4, News Radio 620 WTMJ or 94.5 WKTJ for any closing or cancellation due to inclement weather. This applies to programs and special events held at community locations such as bowling alleys.
