Throughout this guide, you will find a variety of offerings on various evenings and weekends at multiple locations, giving you the freedom to choose how busy you want to be with us. That is our person-centered approach.

2018 Key Card Membership

Individuals with disabilities, ages 16 and older, are asked to become Key Card Members to register for our programs. There are many benefits from becoming a Key Card member – **see the application included in this book or call (414) 278-3938**. The Key Card Application is located in the center of this book as an insert. Please note: Key Card membership is good for the calendar year from January 1st to December 31st and must be renewed each year. Key Card memberships are processed by Milwaukee County Office for Persons with Disabilities. **Key Card Application and payment should be mailed to Milwaukee County Office for Persons with Disabilities—NOT to Easterseals Southeast Wisconsin**. Detailed instructions are located on the Key Card Application.

Medications & Health Care

Easterseals staff will not be responsible for administration of medications to participants. If a participant will need medication during a program time, it is their responsibility to self-administer or make arrangements for a caregiver to coordinate administration. **Easterseals staff will also not be responsible for personal cares during the program.** If a participant needs assistance with toileting or other personal cares, a caregiver **MUST** attend with the participant. The health and safety of our participants is very important to us. Please complete the Annual Information Form (AIF) carefully so that we have as much information as possible. Our staff makes every effort to manage risks and set guidelines for safe recreation. However, our staff are not trained medical professionals. In the event of a medical situation, staff will respond with first aid when appropriate. If an injury or medical situation more serious than a minor cut or bruise occurs, a staff member will call to notify the parent/guardian first, and if they are unavailable, the emergency contact person next.

It is critical that this contact information is up-to-date on the AIF. If there is a medical emergency, staff will call 911 first, then notify parent/guardian or emergency contact.

Transportation

Participants are responsible for their own transportation arrangements. Easterseals staff will **ONLY** be present during the scheduled program times listed in the program guide. **Participants should plan to arrive NO EARLIER THAN 15 MINUTES prior to the start time of any program(s) or dance(s).**
