**Our mission is to provide a collaborative platform to assess and measure real needs within the community.**

Join the DC Military-Veteran Advisory Council (DCMVAC) as we develop a blueprint to better serve our community members and providers in the region. This free event is open to local government, non-profit groups and other veteran service organizations aimed at improving the lives of veterans and military families.

Prepare to bring your concerns, comments, questions, and ideas to strengthen the military/Veteran community in our capital region. This is the first virtual event ahead of an in-person town hall event slated for October 2020.

The DCMVAC is a joint effort between:
