

# UPDATE

As we continue to keep the safety of our clients and staff members a priority, we have **temporarily suspended in-person services to help slow the spread of coronavirus/COVID-19. In lieu of in-person services, we encourage clients to utilize our Telehealth services, face-to-face video therapy, for their appointments instead of canceling.** We will work individually with all clients to make sure their needs are met. If you do not wish to utilize Telehealth, we can continue services when we resume normal operations. If you have any questions, please call us at 240.847.7500 or email [info.mfc@eseal.org](mailto:info.mfc@eseal.org).

Thank you,
