The Steven A. Cohen Military Family Clinic at Easterseals is partnering with Team Brock at Embrace Home Loans and The Logan Home Group to host our First Annual Veterans Day Suit Drive. The transition from military to civilian life can be hard for our veterans. We want to help alleviate the cost of what it takes to dress for success!

Male and female veterans (and transitioning military) will have an opportunity to select from a wide array of new and gently-used ensembles, including pant suits, dresses, slacks and blazers in various sizes and colors. Help spread the word and bring your fellow veterans! *Proof of veteran status or military ID required.
