Wednesday, October 14, 2015

6:00 - 8:00 pm

Dress for Success

1812 Tillery Place, Suite 105
Raleigh, NC

**VETERANS
COUNT**
Supporting Our Military and Their Families

A program of Easter Seals

Easter Seals UCP welcomes you to the launch of the North Carolina chapter of Veterans Count, hosted by honored guest Major General Harry E. Miller, Jr., Executive Director of Military and Veterans Services for Easter Seals New Hampshire.

Veterans Count helps create awareness and raise funds to support services that combat the challenges our veterans, military members and their families face on a daily basis.

We are pleased you are joining us to learn more about this philanthropic program, the opportunity to serve as a board member, and partner in this exciting effort to ensure our veterans, military service members and families have resources to improve their well-being.
