HEAD START

AMITA-FORMERLY PRESENCE HEALTH

As your child's first teacher, you are the most important person in their world.

During this uncertain time, you can help your child feel comforted and secure by finding ways to support their healthy development. You've got this! But you don't have to do it alone.

Early learning program for children ages 3 years – 5 years
High-quality, family-centered education
Promotes school readiness for children of all abilities

When you enroll in our Early Learning Services Programs you have a whole team to support you in your role as parent.

Our centers are open with new health and safety precautions in place to protect you and your child.

- No contact sign-in procedures
- Everyone entering the center has a health screening prior to entering
- People entering the center is limited to those who need to be there
- Everyone wears a mask while inside the center
- Every classroom has an increased sanitizing schedule
- Children have their own learning materials to reduce shared items

Head Start/Early Head Start prepares children for school success!

Prepared for all circumstances, whether services will be in person or remote.

Easterseals Head Start/Early Head Start team partners with private child care centers in the city of Chicago and suburban Cook County. We provide early childhood and education recognized for high-quality, family-centered education for children of all abilities ages 6 weeks to 5 years. The full-day program is year round and offers subsidized child care options.

We accept the Child Care Assistance Program (Action for Children subsidy). Limited transportation provided in special circumstances.
