

Easter Seals Colorado Job Description

Job Title: In-Home Respite Staff
Status: Non-Exempt, Part-time
Reports to: Respite Center Director
Department: Respite
Date: Continuous

Position Summary:

Provision of care to participants during in-home respite sessions

Essential Duties/Responsibilities:

- Acceptance of Easterseals Colorado mission, aims, objectives and philosophy.
- Help maintain a safe and clean environment for respite users.
- Be familiar with, and abide by, respite center policies and procedures, and licensing requirements.
- Minimum age of 18 years or high school graduate.
- Must be capable of assisting and/or providing care to assigned campers
- Genuine interest in and care for people with disabilities.
- Oversee special diets, supplementary feedings, or dietary restrictions of each participant
- Communicate problems and incidents with the director.
- Possess leadership and supervisory skills, as well as, model professional, appropriate and respectful behavior.
- Cooperative, organized and responsible.

Job Requirements:

Education/Experience:

Experience working with people with disabilities

Skills:

Respite Center in-home staff must be flexible with high levels of patience and compassion. They must have a willingness to assist people with disabilities with activities of daily living. They should also have the ability to stay calm during challenging moments.

Working Conditions:

In-home respite staff will work with participants ages 6-18 at the respite user's home. The respite staff is expected to arrive on time to all of his/her shifts. They are also expected to respect respite user's home and possessions.

Note: This job description is not intended to be an exhaustive list of all duties, responsibilities or qualifications associated with the job.
