Lakewood, CO (June 6, 2016) - Easter Seals Colorado is proud to announce the addition of two new board members: Dillon McMillen and Dan Wherry. Both of these individuals bring helpful resources to Easter Seals to advance our work in enhancing our clients' quality of life and creating opportunities for them to achieve greater independence through wellness, employment, respite, and recreation.

Dillon McMillen, a consultant at BKD CPAs & Advisors, combines project management, organizational policy/procedure, and data analytics expertise to deliver substantial revenue growth in various business markets while proactively building and maintaining client and vendor relationships. Dillion has previously volunteered at Literary Volunteers of Massachusetts, as a tutor to adults who needed help with basic literacy skills.

Dan Wherry, VP of Field Operations at Comcast, specializes in leadership, performance and team management, with an emphasis on Servant Leadership. Dan believes in enriching the lives of individuals by building better organizations that yield a more fair and caring world.

"These Board members bring talent, knowledge and energy to the table. Easter Seals is blessed to have them on our team as we continue to strengthen our community," said Lynn Robinson, Easter Seals CEO.
