

Easter Seals has a new volunteer website!

Directions to sign up a team.

We are excited to share that we have a brand new volunteer website! Volunteers.esdel.org can be used to view and register for all of our upcoming volunteer opportunities. We have created a way for volunteers to sign up as a team. All you need is a designated Team Leader to take the following steps! If at any point you have a question, please contact Nicole Oidick | noidick@esdel.org | (302) 221-2037.

STEP ONE: CREATE A VOLUNTEER ACCOUNT

1. Visit volunteers.esdel.org
2. Click on “Create A New Account”
3. Fill out the Volunteer Signup Form with all required fields
4. Press Submit

STEP TWO: SIGN UP TO VOLUNTEER

1. Once logged into volunteers.esdel.org click on “Volunteer Opportunities” from the red navigation bar
2. Scroll through volunteer opportunities
3. See something you are interested in? Click “Request to Volunteer”
4. From there, review the waiver, click “I Agree” and “Submit”
5. Once your request has been reviewed by an Easter Seals staff member you will receive an email letting you know if your request has been approved.

STEP THREE: SIGN UP & MANAGE YOUR TEAM

1. When you are approved to volunteer for an event, it is time to sign up your team!
2. Click on “Your Events,” scroll to “Current Volunteer Opportunities,” and click on “Create Team.”
3. Enter in the First Name, Last Name and Email Address for everyone on your team.
 - a. Note: The system will not allow you to add more team members than volunteer spots available.
4. When you add a member to your team, they will receive an email that will give them the option to create their own volunteer account. To do this, they will visit volunteers.esdel.org and click on “Forgot Your Password.”
 - a. This is not a required step. If they do not create their own volunteer account, they will still be registered to volunteer.
