Take Charge of Your Life *through* Easterseals Personal Attendant Services

If you are a senior citizen or person over 18 with a disability, you may need a personal attendant to help you with activities of daily living.

Personal attendants can help people with disabilities maintain independent and busy lives!

Easterseals staff will help you interview, hire, schedule and train the personal attendant you choose, once your application is approved by your managed care organization or the Delaware Division of Services for Aging and Adults with Physical Disabilities. You are in charge, and can enjoy the quality of life that a trusted attendant makes possible.

Easterseals Personal Attendant Services are available to senior citizens, as well as individuals with physical disabilities over 18.

How Can Personal Attendant Services Help Me?

Personal attendants can help you live your life to its fullest potential!

Your personal attendant routinely will assist with:

- Dressing and hygiene;
- Medical appointments;
- Grocery shopping;
- Light housework and meal prep;
- Medical or therapy instructions.

Whatever your level of need, a personal attendant can help you maintain your independence and enjoy life.

In many cases, Personal Attendant Services can help you remain at home for as long as possible, rather than moving into a nursing facility.

The Choice is Easter Seals.

Easterseals is dedicated to self-direction independence, and self-control for peer disabilities.

With multiple locations, Easterseals offers a broad range of disability services and resources throughout the region.

Easterseals originated the Personal Attendant Services program in Delaware in the 1980's and has operated since continuously.
