

# Camp Lily-Lehigh Valley

Summer 2021

## **Janine, Camp Director**

This will be Janine's second year directing Camp Lily Lehigh Valley. During the school year, she is an associate teacher at Nazareth Area High School. She enjoys watching Netflix, reading, having scary movie marathons with her sister and spending time with her boyfriend, Chris. She cannot wait to meet all the campers and have a great summer together!

## **Ashlee, Counselor**

Ashlee has an associate degree in special education and is an instructional assistant for Southern Lehigh School District. She has a dog and three cats (Kane, Belle, Stewy and Jasper), and loves animals and watching crime fighting action-packed television and movies. Ashlee loves to interact with people and make new friends, so she is eager for camp to start.

## **Ashley, Camp Nurse**

Ashley has two cats and a dog, and is looking to add two more rescues to the pack. She enjoys reading, cooking and listening to music. She is also a big auto racing fan. On a typical day, you can find her outside enjoying the sunshine, refurbishing old furniture, painting or doing anything related to arts and crafts. She cannot wait to be part of the camp team this summer.

## **Becca, Counselor**

Becca is a student at Grove City College. She likes to spend her free time traveling and hanging out with her friends. Her favorite color is pink and she is super excited to get to know the likes and dislikes of each camper this summer.

## **James, Counselor**

James' mother likes to say that he is a giraffe that learned to walk on its hind-legs. James loves arts and crafts projects, surprise dance parties and snacks. His goal in life is to do good and bring joy to as many people as he can. If he had one superpower, it would definitely be shapeshifting so that he could have rainbow hair all the time.
