# EASTERSEALS CAMP CHALLENGE

There will be  
NO WINTER  
Week-long  
Camp  
this year

Our overnight camping programs, Weekend Camp, Week-long Camp and Summer Camp, offer children and adults with disabilities the opportunity to engage in outdoor activities without boundaries. Campers stay in climate controlled cabins while still enjoying the beauty of the natural environment. Overnight camp allows campers to gain independence and make new friends while providing respite for caregivers and families. We provide a 3:1 camper to staff ratio.
